

Music & Parkinson's Disease

A Synaptic Groove Band Concert/Lecture

Join The Synaptic Groove Band on October 25 at 2pm in Jericho, NY for an inspiring concert/lecture exploring how music may improve movement, speech, mood, and quality of life for people with Parkinson's disease.

Ideal for individuals with Parkinson's, caregivers, and anyone interested in the connection between music and the brain.

Please call the Theater at the Jericho Public Library, 1 Merry Lane, Jericho, NY 11753

(516) 935-6790 or register at: <https://www.jericholibrary.org/event/alan-ettinger-93613> or scan QR code.

For future concert/lecture programs on music and health, follow Synaptic Groove Band on Facebook.
